Unity Versions

Unity Hub version: 3.4.1

Unity Editor: 2021.3.19f1

Fonts

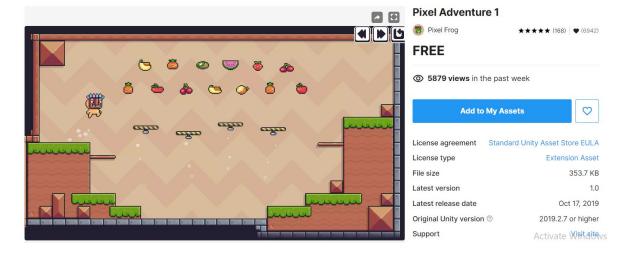

I use the Geo fonts for the style the text of start menu and exit menu

Whereas disregard and contempt for human rights have resulted

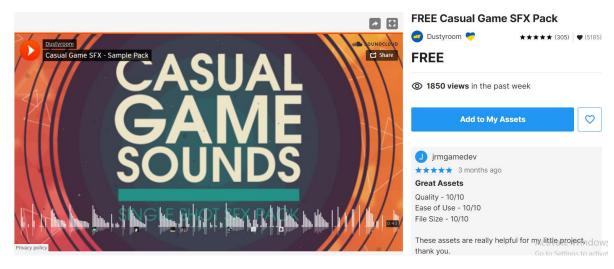

Sprites and Other assets

Pixel Adventure assets where you used to make for background, tile building, player and traps

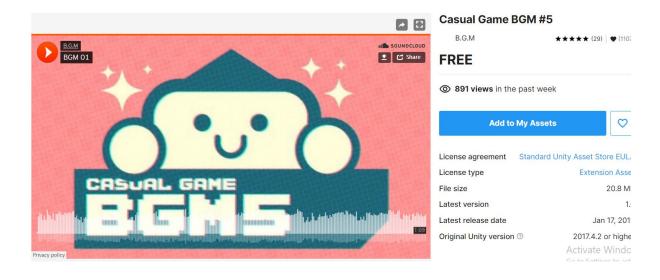

Audio

Casual Game Sounds for sound for jumping, death, level, completion, collecting items

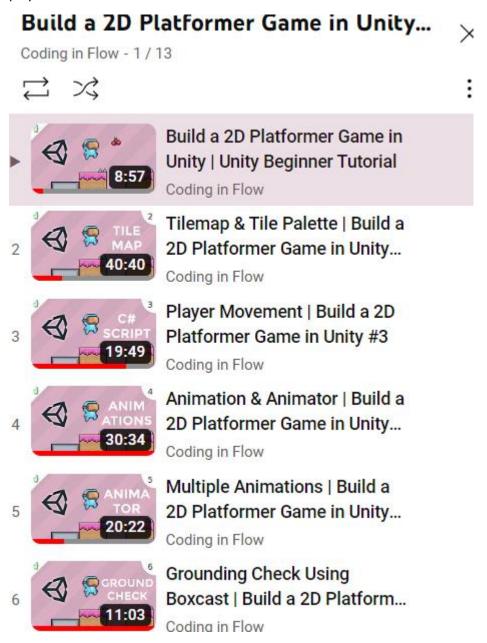

Casual Game BGM for the game background music

Tutorials

The tutorials helped me solve any problems like player death, level completion, and traps to stop the player.
